instructs me to report the same back to the Legislature with the recommendation it be advanced to General File, signed by Senator Conway. General Affairs Committee whose Chair is Senator Schellpeper reports LB 1137 to General File with committee amendments attached. That is signed by Senator Schellpeper. (See page 732 of the Legislative Journal.)

Hearing notice from Health and Human Services Committee, Madam President, signed by Senator Wesely as Chair of the committee.

Lobby report required to be filed pursuant to statute.

I have notice bills have been delivered to the Governor that were read on Final Reading this morning. (RE: LB 871, LB 523, LB 682. See page 733 of the Legislative Journal.)

And prints, Madam President, Senator Bernard-Stevens would like to print amendments to LB 291; Senator Wesely amendments to LB 823. (See pages 733-35 of the Legislative Journal.) That's all that I have at this time, Madam President.

PRESIDENT MOUL: Thank you, Mr. Clerk. We'll proceed with LB 965.

CLERK: Madam President, 965 was a bill introduced by Senator Warner, Baack, Chambers, actually it was introduced by the Executive Board, excuse me. (Read title.) The bill was introduced on January 9, referred to the Government, Military and Veterans Affairs Committee, advanced to General File. I have no amendments to the bill.

PRESIDENT MOUL: Senator Warner.

CLERK: It's the name changes on the committees.

SENATOR WARNER: Oh, thank you, Mr. Clerk. Madam President, members of the Legislature, there was many years ago a succession to Governor, as I recall, which was placed in the statutes and by name of the committees that then existed. That has never been modified. Obviously, since that time the names of the various committees have been changed through rule change and the only thing the bill does is change those names in the statute as far as the various Standing Committees to reflect in fact what the current names are so they are consistent. I move the bill be advanced.
